The *Paramount Micro* is available in many different layouts. Did you know ? Our layouts can also be customized to suit your individual needs!

At *Paramount* we don't want you to settle for standard when you can easily have what you want! The *Micro* range offers many market leading features that easily separate us from our competitors. These models are available in both pop top & Caravan. The size range starts at 14ft thought to 18ft. Suited to smaller towing vehicles or those that don't need to handle a large caravan. Our shower & toilet areas are quite large although combined and you will be amazed at what actually fits in side. Most models can be single beds or queen beds *
