

The *Paramount Xtenda* is available in many different layouts. Did you know ? Our layouts can also be customized to suit your individual needs!

At *Paramount* we don't want you to settle for standard when you can easily have what you want.! The *Xtenda* range offers many market leading features that easily separate us from our competitors. Our models have full block out bed ends meaning no early morning rises while on holidays, storage in transit behind the beds for larger items like chairs & tables, Large fibre glass bed ends that fully cover the bed to prevent water ingress, air conditioners, roll out awnings, battery systems all as standard, just to mention a few.
