Tuff Mudda

17'6" Tuff Mudda (single axle)

19'6" Tuff Mudda (Tandem axle)

24' Tuff Mudda (Tandem axle)

The *Tuff Mudda* Toy hauler by Paramount can be customized to suit your travelling needs. Custom layouts enable you to build a caravan that will suit the toys you would like to carry while enjoying what Australia has to offer.

We can also cater not only for the motorbike, quadbike & kayak's but for the disability market also. With the open rear garage & electric tail gate, we can build showers, beds & all the needs for you to safely access the caravan.

Many more layouts are available. Contact our team on (03) 97298188 or
