

POP TOP EN-SUITE

The *Paramount Thunder* is available 4 different layouts. Did you know however ? Our layouts can also be customized to suit your individual needs! At *Paramount* we don't want you to settle for standard when you can easily have what you want.! The *Thunder* range offers many market leading features that easily separate us from our competitors. The *Paramount Thunder* is our *pop top* version of a caravan. This suits customers with storage issues at home or who just prefer the open feeling a pop top has to offer. The lower towing design provides comfort in towing and certainly can make a great off road version also.
